Expertise

Investment Funds , Corporate , Blockchain & digital assets , DAO & Web3 , Private equity , Environmental, Social & Governance , Fund formation , Fund services

Daniella Skotnicki is a partner in the firm's Cayman office. She has over 12 years of experience and a broad private funds practice specialising in hedge funds and private equity as well as advising on fintech related matters. Daniella has extensive experience advising fund sponsors on the structuring and formation of funds, co-investment vehicles and alternative investment vehicles and providing ongoing advice.

Daniella's practice also encompasses advising on mergers and acquisitions, joint ventures, listings on the Cayman Islands Stock Exchange, security token offerings, initial coin offerings and corporate reorganisations. Daniella acts for leading financial institution and investment managers as well as boutique and start-up managers and fintech companies.

Prior to joining us in 2017, Daniella was counsel at Ogier, practised with Cox Hallett Wilkinson in Bermuda and King & Wood Mallesons in Australia. Daniella has also served as in-house legal counsel at an administrator in the Cayman Islands.

Daniella is a chartered alternative investment analyst.
